RE: Disadvantaged Business Enterprise Goal (DBE) 2021-2023

In accordance with requirements of the U.S. Department of Transportation as set forth in 49 C.F.R. 26, as amended, the Nebraska Department of Transportation (NDOT) in Lincoln, Nebraska, hereby notifies the public that it is recommending the following Disadvantaged Business Enterprise (DBE) goal for applicable professional services, construction and procurement contracts during Fiscal Years 2021-2023 is .53%.

Information pertaining to the goal and a description of how it was selected is available for inspection from 7:30 am to 4:00 pm (central time) at the Nebraska Department of Roads, Local Assistance Division, Transit Section, at 1400 Highway 2, Lincoln, NE for 30 days from the date of this notice. Written comments are for information purposes only and may be sent to Kari Ruse or the Regional Civil Rights Officer, Federal Transit Administration, Region 8, at the addresses below.

The NDOT DBE Program provides support to small businesses owned and operated by women, minorities and other socially and economically underrepresented business. The NDOR DBE Program is intended to promote the success of small businesses by giving them a fair chance to compete for federally assisted transportation contracts. The overall goal of the program is to eliminate barriers to the success of small businesses that could occur as a result of past or present participation.
